Impact of the scheme: The construction of the School Auditorium has helped very much in holding various activities like Teachers Day function, Parent & Teachers meeting, Plays, Dramas, etc.

OBSERVATION

1. The Auditorium was constructed using good materials and it looks strong and well built.
2. The Auditorium is quite big with a seating capacity of more than 500 people with a stage for staging plays, dramas, etc.
3. The Secretary, Development Committee informed that besides MPLADS funds some funds were also received from MLA scheme for construction of the Auditorium which shows that there were convergence of schemes.
